ANALYSIS: (Attach a separate page if necessary)

This legislation amends AS 08.36 Dentistry to revise the grounds for discipline, suspension or revocation of licenses; and requires the board to issue certain certificates to dental assistants. This legislation is not expected to increase the board's operating expenses.

The program is required to cover its costs with licensing fees under AS 08.01.065, and revenue generated by fees are anticipated to cover its full operating costs.
