**ANALYSIS:** (Attach a separate page if necessary)

This bill eliminates the Certificate of Need program. These sections take effect immediately so FY09 is for a full year. This fiscal note estimates the savings in personal services and other administrative costs from elimination of the Certificate of Need office in Health Planning & Infrastructure. Expenditures are based on FY07 actuals and include legal services for CON hearings & appeals. Two positions would be eliminated. Revenue from CON application fees would be eliminated (all of Receipt Support Services). Revenue estimates for RSS are based on FY08 Management Plan and the remainder is pro-rated at 50% Medicaid reimbursable/50% non-reimbursable. The Medicaid costs are 50% federal/50% GF Match.

A summary analysis of the impacts of this legislation follows on next page.
