Explanation

A Close Economic Association means a financial relationship between a person covered by the Ethics Code and some other person or entity, including relationships where the legislator or legislative employee serves as a consultant or advisor to, is a member or representative of, or has a financial interest in any association, partnership, business or corporation. Those covered by the Ethics Code are required to disclose their close economic associations, in sufficient detail, with supervisors, legislators, public officials who must file APOC Financial Disclosure Statements (excludes appointed municipal officials), registered lobbyists and, if the discloser is a legislator, with legislative employees.
