Miles Baker, Staff, Co-Chair Stedman, reviewed the CS. He observed that there were five categories that needed to be revised. // He noted the changes were made in the CS.

Mr. Baker observed that the legislation is not an appropriation bill, but requires payments from the system. The intent language clarifies that payments would be made in a separate piece of legislation. The funding was contained in legislation passed by the House Finance Committee on March 3, 2008 [HCS CSSB 72 (FIN)].

Mr. Baker reviewed the sections. Section 11 changes the calculation of the payroll floor from FY 07 to FY 08. Section 17 is similar and deals with termination costs. Costs associated with termination would be FY 08 for the floor.

Section 26, Transition Language, was deleted. This section
