1 Page 7, line 28, through page 8, line 7:

2 Delete all material.

3 Insert "facilitating the project developer's commitment to negotiate, to the maximum
4 extent permitted by law, before construction of the project begins, a project labor agreement;
5 if, in consideration of complying with the project labor agreement, the development team
6 determines that the project may be constructed by a private pipeline construction company or
7 companies, the development team shall direct that this requirement be incorporated into any
8 construction contract agreement as a binding commitment applicable to the corporation's
9 contractors; for this purpose, "project labor agreement" means a comprehensive collective
10 bargaining agreement between the project developer or, if construction is to be undertaken by
11 one or more private pipeline construction companies, the project developer's contractor or
12 contractors and the appropriate labor representatives to ensure expedited construction with
13 labor stability for the project by qualified residents of the state."
