

AMENDMENT #1

OFFERED IN THE HOUSE
TO: CSHJR 25(ENE)

Thomas
Gara

1 Page 2, line 10, following "source;":

2 Insert "and

3 **WHEREAS** regions of the United States outside of Alaska have limited water
4 supplies or water shortages that could lead to classifying hydroelectric power as
5 nonrenewable, but many areas of Alaska have ample water supplies that are capable of
6 providing a renewable energy source for hydroelectric projects in the state;"

Page 2 line 12, following "hydroelectric power"

Insert "where it has no material
negative impact on fish populations,"
