2 5 (American Recovery and Reinvestment Act of 2009) that

3               (1) federal stimulus money not be expended for any purpose that creates an  
4 obligation for the state to replace those funds after they have been exhausted and that stimulus  
5 funds be used primarily to supplement or improve existing programs rather than create new  
6 services or programs;

7               (2) all state agencies notify recipients of grants funded by federal stimulus  
8 money of the limited and temporary nature of the grant funds, and that the state will not be  
9 granting additional funds to continue the programs after the federal aid is exhausted;

11 stimulus money disclose in writing to all grant recipients that the program funding source will  
12 expire;

13              (4) notwithstanding any other provision of this Act, federal stimulus money  
14 may be expended to recruit, train, equip, and compensate new peace officers;

15              (5) the executive branch not use any federal stimulus money to enter into lease  
16 obligations, equipment contracts, or professional services contracts that extend beyond the  
17 end date of federal stimulus funding without a financial plan in place to use existing funds to  
18 complete the obligation or contract;

28 Department of Education and Early Development be required to acknowledge, in a letter  
29 signed by the school superintendent and school board president or their designees, that the

1 (10) the executive branch, to the fullest extent possible, minimize its  
2 expenditure of federal stimulus money on administrative costs;

3 (11) the executive branch, to the fullest extent allowed by law, strive to ensure  
4 that projects and programs funded with federal stimulus money hire Alaska workers and use  
5 Alaska contractors and vendors and minimize the use of out-of-state consultants;

6 (12) federal stimulus money for energy or energy-related programs be used to  
7 help reduce energy costs of Alaskans whenever possible and practical;

8 (13) federal stimulus money for education programs be spent for best-

11 when federal stimulus money is exhausted;

12 (14) school districts focus on short-term investment with long-term gains for  
13 student and teacher performance and pay particular attention to the advisory statement issued  
14 by the United States Department of Education that "These funds should be invested in ways  
15 that do not result in unsustainable continuing commitments after the funding expires."
