7 * **Sec. 2.** AS 29.65.040(c) is amended to read:

8 (c) Land may be selected or nominated for selection by a municipality to
 9 satisfy a general grant land entitlement under former AS 29.18.201 and 29.18.202 at
 10 any time before October 1, 1980. Land may be selected or nominated for selection by
 11 a municipality to satisfy a general grant land entitlement under AS 29.65.010(a)(1) -
 12 (9), (11), or (12) at any time before October 1, 1990. Land may be selected or
 13 nominated for selection by a municipality to satisfy a general grant land entitlement
 14 under AS 29.65.010(a)(10) at any time before October 1, 1996. Land may be selected
 15 or nominated for selection by a municipality to satisfy a general grant land entitlement
 16 under AS 29.65.010(a)(13) at any time before October 1, 1999. **Land may be selected**
 17 **or nominated for selection by a municipality to satisfy a general grant land**
 18 **entitlement under AS 29.65.010(a)(14) at any time before October 1, 2011.**
 19 However, if a municipal selection or nomination or a part of a municipal selection or
 20 nomination is rejected by the director, the municipality may, not later than 90 days
 21 after receipt of the rejection or final decision on an appeal filed under
 22 AS 29.65.050(d), select additional state land as necessary to satisfy its entitlement.

23 * **Sec. 3.** AS 29.65.050(c) is amended to read:

24 (c) The director shall approve or disapprove each selection for patent within
 25 nine months of its selection by a municipality. Before a decision is issued, the
 26 Department of Commerce, Community, and Economic Development shall review the
 27 selection and recommend approval or disapproval of it. The director may disapprove a
 28 selection only upon a finding that the public interest in retaining state ownership of the
 29 land outweighs the municipality's interest in obtaining the land. If the director
 30 determines that the public interest in land selected in satisfaction of an entitlement
 31 under AS 29.65.010(a)(13) **or (14)** can be adequately protected by issuing a patent that

1 is subject to stipulations, conditions, or covenants, and if the municipality agrees to
2 accept the land subject to those stipulations, conditions, or covenants, the director may
3 approve a selection that would otherwise be disapproved and may issue the patent with
4 the stipulations, conditions, or covenants agreed to by the municipality. A patent shall
5 be issued to the municipality for land selected in satisfaction of a general grant land
6 entitlement vested under AS 29.65.010 - 29.65.030 within three months after approval
7 by the director of a plat of survey.

8 * **Sec. 4.** This Act takes effect immediately under AS 01.10.070(c).
