

1 The great North Star with its steady light,
2 Over land and sea a beacon bright.
3 Alaska's flag - to Alaskans dear,
4 The simple flag of a last frontier.

6 A Native lad chose the Dipper's stars
7 For Alaska's flag that there be no bars
8 Among our culture. Let it be known
9 Through years the Native's past has grown
10 To share life's treasures, hand in hand,
11 To keep Alaska our Great-Land;
12 We love the northern midnight sky,
13 The mountains, lakes and streams nearby.
14 The great North Star with its steady light
15 Will guide all cultures, clear and bright,
16 With nature's flag to Alaskans dear,
17 The simple flag of the last frontier.
