HB 6 amends the crime of cruelty to animals by adding prohibitions on a person from engaging in sexual conduct with an animal; photographing or filming, for sexual gratification, a person engaging in sexual conduct with an animal; and permitting sexual conduct with an animal to be conducted on a person's premises. Sexual conduct is defined to include touching, contact, or penetration. Cruelty to animals is a class A misdemeanor. It is believed that passage of this bill would have a zero fiscal impact on the Department of Law.
