This fiscal note is indeterminate (\*\*\*)

There is no way to determine which minors enrolled in Medicaid had consent from a parent or guardian for abortions because the department does not require a consent form to process claims.

Expenditures for abortions are made from general fund dollars. These claims are paid pursuant to an Alaska Supreme Court decision that requires state funding of medically necessary abortions for low-income women eligible for Medicaid. (continued on page 2)

**ANALYSIS CONTINUATION**

The only abortion services eligible for federal financial participation are those that the department is required to cover under the federal Hyde amendment. To qualify under the Hyde amendment, the abortion must be the result of rape or incest, or the life of the mother must be endangered if the pregnancy were carried to term. Hyde amendment qualifying abortion claims are rare—in FY 2008, there were no Hyde amendment claims.
