This bill excludes refunding and conduit bonds from AIDEA's \$400 million 12-month bonding limitation; removes, rather than extends the previous statutory sunset date, the legislative approval requirement for bonds issued including the refunding of development finance projects; this bill does not change the requirement of legislative approval for bonds in excess of \$10 million for development finance projects; clarifies that AIDEA may finance certain costs and expenses associated with refunding bonds of development finance projects with the refunding bond proceeds; amends AIDEA's confidentiality statute to clarify the confidentiality of certain records and the processes for determining confidentiality.

This bill has no operational fiscal impact on AIDEA.
