ANALYSIS: (Attach a separate page if necessary)

This legislation acts to extend the Retiree Return to Work Program for retired teachers and public employees until June 30, 2013. The actuarial consultant has determined there is no effect on employer contribution rates. The Retiree Return to Work Program requires employers to make contributions to both systems based on the rehired retiree's wage at the rate prescribed by the actuary to pay the unfunded liability of the systems.
