ANALYSIS: (Attach a separate page if necessary)

This bill authorizes the State to finance, construct, and occupy the proposed Alaska Mental Health Trust (MHTLO) Subport Office Building. Cost of construction and equipping the new facility is estimated to be \$45.4 million, of which \$22.7 million is to be provided through issuance of certificates of participation outlined in the Department of Revenue fiscal note. The bill also authorizes real estate investment from the Mental Health Trust Fund for the remainder of the capital expenditure for acquisition, construction, and equipping the facility. The MHTLO will directly pay for all utilities and maintenance costs for the new building, which will be offset by the lease revenues annualized at approximately \$5.7 million from commercial space leasing and the Department of Administration beginning June 30, 2012 (FY2013). The TLO will also provide a contracted onsite Manager who will handle all aspects of the building and property management, including lease and rental agreements, contracting for janitorial services, utilities, snow removal and landscape services, parking lot management, and building systems including heat and plumbing.
