**ANALYSIS:** (Attach a separate page if necessary)

This legislation would make numerous changes to the state's procurement code. Collectively, these changes streamline the procurement code to ensure consistent application of the law, and would result in a more understandable, efficient process. It has been many years since our procurement code has been modernized. These changes are needed to help reduce the number of failed procurements, simplify confusing and burdensome requirements, and to allow for modern procurement techniques.

Prepared by: Vern Jones, Director  
 Division General Services  
 Approved by: Kevin Brooks  
Deputy Commissioner
