ANALYSIS: (Attach a separate page if necessary)

HB 327 adds salvia divinorum to Schedule IIA of Alaska's drug schedules; raises buprenorphine from Schedule VA to Schedule IIIA. And HB 327 provides that a person may not sell a product with dextromethorphan (a type of cough medicine) to a person under 18 years of age unless the person has a prescription for the medicine. A person who recklessly violates this prohibition could be charged with a class B misdemeanor. Therefore, the fiscal impact to the Department of Law is indeterminate.
