**ANALYSIS:** (Attach a separate page if necessary)

The bill requires the Department of Labor and Workforce Development to investigate and take enforcement action to resolve complaints of unlawful mandatory overtime use and alleged retaliation. Due to the significant number of registered nurses and licensed practical nurses currently licensed in Alaska (approximately 10,000 RN's and 1,000 LPN's), the department anticipates the workload will require at least one full-time Wage and Hour Investigator I position funded with General Funds. Costs include \$73.6 for salary and benefits, \$3.0 for investigation travel, \$18.9 for contractual which includes normal per position costs such as office space, phone, data processing and administrative support and \$5.0 for Department of Law advice and representation, \$0.5 for office supplies and an additional \$3.3 for office furniture and equipment in the first year and an additional \$1.3 for computer equipment replacement in the fourth year.
