ANALYSIS: (Attach a separate page if necessary)

This bill would require that APFC divest any securities of publicly traded companies that are directly held in actively or passively managed separate (non-commingled) funds. This bill would also require that APFC send letters to managers of actively traded commingled funds requesting that they consider divesting the listed securities. APFC is directed to develop a divestment list: administrative cost of purchasing lists of publicly traded companies doing business in Sudan from external sources each year as part of research process totals \$30.0. Active separate account managers have stated that they will not charge customization fees. Stated customization charge in addition to regular management fees for passive accounts (as of Jan 2009) of \$20.0.
