This bill amends AS 28.35 by adding a new section regarding the installation of window tint on automobiles. SB51 would make it an violation for a window tint installer to install tint to automobiles that exceeds the limits imposed by AS 28.35.271.

The department expects that this legislation would significantly decrease the number of citations issued each year for operation of a vehicle with illegal window tint installed. This bill will have no negative fiscal impact on the department.
