ANALYSIS: (Attach a separate page if necessary)

This bill lowers the amount of alcohol that may be possessed or shipped in local option communities without a presumption that a person possessed or imported the alcohol with intent to sell it. This may increase the costs of providing criminal defense representation in alcohol importation cases, although it may also reduce the costs associated with other types of alcohol related crimes. The fiscal impact of this legislation cannot be accurately determined, and therefore, the Agency submits an indeterminate fiscal note.
