ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 12.36.010 by adding a new section which requires the preservation of evidence in crimes listed under AS 11.41.100 - 11.41.130. This legislation will result in additional evidence being stored for a longer period of time. It is expected that the requirements of this bill will be manageable and have no fiscal impact on the department.
