**FISCAL NOTE # 3**

**STATE OF ALASKA  
2010 LEGISLATIVE SESSION**

**BILL NO. SB 222**

**ANALYSIS CONTINUATION**

The bill will create a new misdemeanor crime of harassment for touching another person without consent. Additionally, the bill will eliminate the mens rea element associated with circumstances under which someone fails to register as a sex offender.

This bill will also change the procedures for defense access to evidence in child pornography cases. Under the proposed change to Criminal Rule 16, the evidence that forms the basis of such charges must remain in the custody and control of a law enforcement agency and the prosecuting attorney, and no copies can be made. This could result in additional costs associated with the logistics of reviewing and evaluating evidence.

The agency does not predict a significant fiscal impact as a result of the proposed statute. Accordingly, the agency submits a zero fiscal note.
