Full-time								
Part-time								
Temporary								

ANALYSIS: (Attach a separate page if necessary)

This bill would prohibit health care insurers that provide dental care coverage from setting a minimum age for receiving dental care coverage, allow those insurers to set a maximum age for receiving dental care coverage as a dependent, and prohibit those insurers from setting fees that a dentist may charge for dental services not covered under the insurer's policy.

The department does not expect additional operating expenses as a result of this legislation.
