ANALYSIS: *(Attach a separate page if necessary)*

This legislation requires at least one of the three public members of the Alcohol Beverage Control Board reside in a rural area that is not connected by road or rail to Anchorage or Fairbanks, that has participated in a local option election under AS 04.11.491, and is a city; or is an established cillage that is located in the unorganized borough.

CSSB 261 does not increase the number of board members. The ABC Board currently has a rural member serving as a public member, therefore, this legislation does not require additional funds.
