There is no fiscal impact to the Department of Revenue.

This bill amends the powers and duties of the Alaska Railroad Corporation (ARRC) and the Alaska Housing Finance Corporation (AHFC) related to the exercise of authority to purchase, transport, and sell natural gas produced on the North Slope for in state use. This bill also transfers exclusive and primary responsibility for the initiation and development of the project from the Office of the Governor and Department of Natural Resources to the Alaska Railroad Corporation and the Alaska Housing Finance Corporation. Under this bill, the ARRC and AHFC may apply to the governor to transfer unexpended balances and appropriations for use in support of the in-state North Slope natural gas pipeline project. The effective date of the bill would be immediately under AS 01.10.070(c).
