

AMENDMENT #1

OFFERED IN THE HOUSE  
TO: CSHB 9(FIN)

BY REPRESENTATIVES HAWKER AND  
CHENAULT

1 Page 3, line 5:

2 Delete "and"

3

4 Page 3, line 8, following "Corporation":

5 Insert ";

6 (8) to the maximum extent permitted by law, in developing a natural gas  
7 pipeline, the Alaska Gasline Development Corporation shall procure services, labor, products,  
8 and natural resources from qualified businesses located in the state, including organizations  
9 owned by Alaska Natives and municipal organizations directly affected by the project, if  
10 those persons are competitive; and

11 (9) the Alaska Gasline Development Corporation shall, to the maximum extent  
12 permitted by law,

13 (A) hire qualified residents from throughout the state for management,  
14 engineering, construction, operations, maintenance, and other positions for a natural  
15 gas pipeline project;

16 (B) establish hiring facilities in the state or use existing hiring facilities  
17 in the state; and

18 (C) use, as far as practicable, the job centers and associated services  
19 operated by the Department of Labor and Workforce Development and an Internet-  
20 based labor exchange system operated by the state"
