21 same extent as other health care services covered by the policy; and

26 individual under a health care insurance plan.

27 (d) A health care insurer may not refuse to deliver, execute, issue, amend, or

29 diagnosed with or received treatment for autism spectrum disorders.

30 (e) In this section,

31 (1) "autism service provider" means an individual who is licensed,

 16 disability;

17 (B) reduce or ameliorate the physical, mental, or developmental
 18 effects of an illness, condition, injury, or disability;

19 (C) assist to achieve or maintain maximum functional capacity
 20 in performing daily activities, taking into account both the functional capacity
