FISCAL NOTE #1

**STATE OF ALASKA
2011 LEGISLATIVE SESSION**

BILL NO. CSHB 1(HSS)

Analysis:

The bill adds a new AS 44.99.130, which states that a person has the right to choose any mode of obtaining or declining health care without subject to penalty or threat of penalty. There is an exception for health programs that are required by the State, its political subdivisions, and State courts. The bill adds no responsibility to the Department of Health and Social Services and would not directly impact it.
