FISCAL NOTE #3

STATE OF ALASKA
2011 LEGISLATIVE SESSION

BILL NO. HB 127

Analysis

This bill expands the definition of "nonconsensual contact" under stalking; creates a new crime for sending an explicit image of a minor without the consent of the minor's parent; and creates new crimes for obtaining confidential information of another person.

The bill also provides for the prosecution of an out of state individual for online enticement of a minor if the communications involve an individual in the State of Alaska. Finally, the bill specifically permits the Department of Corrections to provide active supervision to a person placed on probation for a misdemeanor offense.

Expanding the definition of nonconsensual contact, creating additional crimes, and providing for supervised misdemeanor probation will likely result in an increase in cases assigned to the Public Defender Agency. It is not possible to reliably predict the number of cases that will be assigned to the Agency, however. The Agency, therefore, submits an indeterminate fiscal note.
