FISCAL NOTE #8

**STATE OF ALASKA
2012 LEGISLATIVE SESSION**

BILL NO. CSHB 168(JUD)

Analysis

HB 168 requires a party seeking a restraining order, preliminary injunction, or order vacating or staying the operation of a permit that affects an industrial operation to give security in an amount determined by the court for costs that may be incurred and damages that may be suffered by an industrial operation that has been wrongfully enjoined or restrained. This security would include an amount for the payment of wages and benefits for employees and payment to contractors and subcontractors of the industrial operation.

There will be no anticipated fiscal impact to the Department of Natural Resources.
