FISCAL NOTE #1

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. CSSSHB 190(STA)

Analysis

Repeal of the 10 year rule reduces the number of cases that require eligibility determinations each year.

Additionally, moving the 5 year presumption * in 15 AAC 23.163(f) to statute makes clear the requirements needed to overcome it and makes determining eligibility less subjective.

*The 5 year presumption of 15 AAC 23.163(f) presumes that an individual who has been absent from Alaska for more than 180 days in the preceding 5 years does not intend to return.

Programming is not required since a similar 5 year presumption is already being applied. Minimal changes are anticipated to division publications.
