FISCAL NOTE #5

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. CSHB 282(FIN)

Analysis

HB 282 would require the department or board to accept relevant experience, training, or service acquired while serving in the armed forces for professional licensing. The bill would allow greater flexibility for those exiting military service to become temporarily licensed in Alaska.

An implementation deadline of December 31, 2012, would require six of the nine affected boards to schedule additional meetings before October 1 in order to meet the requirements of this bill. It is expected that each of the affected boards will need two meetings to deliberate the topic, confer with content experts including the Department of Defense, draft and approve regulations before the public comment period, and consider public comment before approving final regulations. This fiscal note reflects the travel costs for board members to travel to these meetings. The department will make every effort to schedule additional meetings via teleconference when feasible.

Services include additional funding for a contract to accomplish facilitation and drafting of regulations by the deadline.
