FISCAL NOTE #4

**STATE OF ALASKA
2011 LEGISLATIVE SESSION**

BILL NO. SB 17 _____

Analysis

This legislation makes synthetic cannabinoids a schedule IIA controlled substance. Currently, possession of a schedule IIA is a Class C felony with a possible sentence of 0-2 years. Manufacturing or delivering a schedule IIA controlled substance is a Class B felony with a possible sentence of 0-4 years. The current average daily cost to house an inmate is \$136.44. Therefore, housing an offender could cost the department anywhere from \$0.0 (no time served) to \$199.2 (for a 4-year sentence).

Department of Corrections is unable to determine the fiscal impacts of the passage of this legislation, as we cannot estimate the total number of actual violations that will occur.
