Analysis

SB 78 provides members of limited liability companies ("LLC") the same protections as shareholders of corporations for liability purposes under Alaska liquor laws.

Currently AS 04.21.035 provides that a member of a limited liability company ("LLC") or a partner of a limited liability partnership that holds a license under Title 4 is not relieved of the liability imposed upon a liquor license holder solely because the license is held by a LLC or a limited liability partnership.

Passage of this legislation will not have a fiscal impact on the Alcoholic Beverage Control Board.
