FISCAL NOTE #2

**STATE OF ALASKA
2012 LEGISLATIVE SESSION**

BILL NO. HCS CSSSSB 82(HSS)

Analysis

CSSSSB 82 has zero fiscal impact on the Department of Health and Social Services. This bill addresses permanent planning for children in custody under "Another Planned, Permanent Living Arrangement "(APPLA); modifies licensing procedures; outlines court requirements for release or termination of custody by the courts; outlines "compelling reason" standards for youth with APPLA permanency goals; provides a provision to support placement of siblings into the same foster home; and adds a new provision requiring the streamlining of the foster parent application process and the approval of building code variance requests under specified circumstances. No additional costs are anticipated.
