FISCAL NOTE #2

**STATE OF ALASKA
2011 LEGISLATIVE SESSION**

BILL NO. CSSB 111(CRA)

Analysis

The Alaska Railroad Corporation (ARRC) is a public corporation supported by revenues generated through its freight, passenger and real estate services. ARRC does not receive state operating subsidies.

Congress repealed a Right-of-Way reversion provision in the Alaska Railroad Transfer Act Section 1209 in 2003. SB 111 reinstates the reversionary right in State law for the Eielson Branch of the Alaska Railroad system and will not have a foreseeable cost to the Alaska Railroad.
