FISCAL NOTE #7

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. HCS CSSB 135(FIN)

Analysis

This bill amends AS 12.61.010(a) by requiring that the victim of a crime be notified of any request for a continuance or pending motions that may substantially delay the prosecution, and inform the court of the victim's position on these motions. This bill amends Rule 45 (d)(2) of the Alaska Rules of Criminal Procedure by adding language that requires the court to grant continuances only after consideration of the crime victim as provided in a new subsection (h) that his bill would also add to Rule 45. The new subsection (h) requires the court to consider the victim's position on motions to continue.

The bill also outlines procedures for Public Defender appointment and adds provisions relating to the victim's advocate.

Courts currently consider the impact of delay on a victim's rights under the state constitution. The Office of Public Advocacy does not anticipate a fiscal impact and therefore submits a zero impact fiscal note.
