FISCAL NOTE #1

**STATE OF ALASKA
2012 LEGISLATIVE SESSION**

BILL NO. SB 179

Analysis

This bill amends AS 44.41 by adding a new section requiring the Department of Public Safety (DPS), in cooperation with the Department of Military and Veterans' Affairs (DMVA), to develop and implement missing vulnerable adult response and notification plans using statewide and local radio and television broadcasters and newspaper publishers.

It is expected that DPS will implement the notification using DMVA's modernized emergency alert system, EMnet. This system is new and it is anticipated that it includes all the capabilities necessary to implement the missing vulnerable adult notification on a statewide or regional basis. Therefore, a zero fiscal note is being submitted.
