FISCAL NOTE #5

**STATE OF ALASKA
2012 LEGISLATIVE SESSION**

BILL NO. CSSB 200(JUD)

Analysis

SB 200 creates minimum requirements for lineups for eyewitness identification procedures by police agencies. It requires the Department of Public Safety to train law enforcement officers in conducting lineups.

The bill would probably increase litigation concerning the validity of identification procedures, particularly in cases arising from small police agencies. But we expect to be able to address this litigation with current resources.

The Department of Law anticipates zero fiscal impact.
