FISCAL NOTE #1

**STATE OF ALASKA
2012 LEGISLATIVE SESSION**

BILL NO. SB 218 _____

Analysis

The bill changes the description of the crime of promoting prostitution under AS 11.66.110 – 11.66.135 from promoting prostitution in the first, second, third, and fourth degrees to sex trafficking in the first, second, third, and fourth degrees.

It adds the crimes of human trafficking in the first degree and sex trafficking in the first degree to the definition of “serious felony offense” under the conspiracy law.

The bill amends the crime of distribution of indecent materials to minors under AS 11.61.128 in response to the judicial decision that the current law is unconstitutional due to over breadth by requiring the prosecution to prove that the offender intentionally distributed, or possessed with the intent to distribute, harmful material to another person that the offender knows is under 16 years of age or believes is under 16 years of age.

It adopts a procedure for contemporaneous two-way videoconference in criminal trials where the court finds that it is necessary to further an important public policy, that the witness is unavailable, and the testimony is given under oath and subject to cross-examination. The bill would also allow contemporaneous two-way videoconference testimony in hearings addressing the competency of a defendant to be tried for criminal charges if the witness resides 50 or more miles away from the place of the hearing or the customary travel to the site of the hearing is by air.

The bill would require a person present in Alaska to register as a sex offender if the person is required to register as a sex offender in another jurisdiction.
