

AMENDMENT #7

OFFERED IN THE SENATE
TO: CSSB 21(FIN)

BY: French
Ellis
Wielechowski
Gardner

1 Page 22, line 8:

2 Delete "one or more"

3 Insert "either or both"

4

5 Page 22, lines 13 - 20:

6 Delete "; (3) the oil or gas is produced from a well that has been accurately metered
7 and measured by the operator to the satisfaction of the commissioner, and the producer
8 demonstrates to the department that the metered well drains a reservoir or portion of a
9 reservoir that the Department of Natural Resources has certified was not contributing to
10 production before January 1, 2013, and the producer demonstrates to the department that the
11 volume of oil or gas produced from the well was subject to certification by the Department of
12 Natural Resources"
