FISCAL NOTE ANALYSIS #2

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. HB 104

Analysis

This bill addresses election practices and the election of a school advisory board in a regional educational attendance area (REAA). This fiscal note and analysis responds to section one covering the REAA election of a school advisory board, the remaining sections of the bill do not directly impact chapter 14 Education and therefore are not discussed in this analysis.

The Alaska legislature delegates to REAA school boards the authority to operate the public schools in those areas, subject to law. Both REAA school districts and municipal governments operate through a Regional School board. The election of the Regional School board is provided for in 14.08.071 (b) for the REAA and through municipal elections law for the organized school districts.

State law provides for advisory school boards in REAAs. Regional school boards shall establish advisory boards in each community and prescribe the manner of selection and organization by regulation. Regional school boards could establish advisory school boards through an election process. Current law does not provide for the division of elections to administer an election for an advisory board.

Section one of this bill allows the election process of advisory school boards to be conducted by the division of elections, and for the ability to adopt regulations governing the election process.
