FISCAL NOTE ANALYSIS #1

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. **HB 163**

Analysis

This bill would limit the ability of second or third class boroughs, or second class cities from prohibiting the burning of solid fuel unless authorized by the governor in case of an emergency. It would limit all municipalities from adopting a particulate air contamination emission standard for solid fuel burning devices other than the standard adopted by regulation by the state.

The bill would also prohibit a person from selling, offering to sell, or knowingly advertise to sell a solid fuel burning device that exceeds the emission standard set by the Department of Environmental Conservation.

There are no anticipated fiscal impacts to the Division of Community and Regional Affairs from this bill.
