FISCAL NOTE ANALYSIS #2

**STATE OF ALASKA
2014 LEGISLATIVE SESSION**

BILL NO. CSHB 167(RLS)

Analysis

CSHB 167 amends statutes for architects, engineers, land surveyors, and landscape architects to increase accountability of licensee work and to ensure only licensed professionals are performing work within the scope of this chapter. The CS differs from HB 167 by keeping original statutory language in AS 08.48.331(a)(6)(C)(i) as is. This bill adds or amends language to exiting architects, engineers, and surveyor statutes to clarify the manner and conditions for sealing and signing drawings, specifications, surveys, plats, plates, reports, or similar documents.

There is no anticipated fiscal impact to the Division of Corporation, Business and Professional Licensing.
