FISCAL NOTE ANALYSIS #1

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. CSHB 175(L&C)

Analysis

HB 175 is to allow a property and casualty insurer, under certain circumstances, the ability to post policies and endorsements on the insurer's internet website in lieu of mailing or delivery. Currently, AS 21.42.250(a) requires that each policy must be either mailed (i.e. US Postal Service) or delivered (i.e. hand delivered) to the insured.

The policy and endorsement are the written agreements that put insurance coverage into effect. In addition to these, there is a declarations page which contains the insured's person information, such as name, address, period of policy, premiums payable, and the amount of coverage. HB 175 would not allow an insurer to post an insured's declarations page to their internet website, but rather the policy language; which is the same for everyone who purchases that particular type of policy.

There is no anticipated fiscal impact to the Division of Insurance from this bill.
