**FISCAL NOTE ANALYSIS #1**

**STATE OF ALASKA  
2014 LEGISLATIVE SESSION**

**BILL NO.** HB 242

**Analysis**

HB242 extends the existing State Physical Therapy and Occupational Therapy Board through June 30, 2022. Adoption of the bill will continue existing activities by the board. Failure to adopt the bill will result in a one-year wind-down of the board, and the division will assume all licensing responsibility in FY2016.

Extension of the State Physical Therapy and Occupational Therapy Board will require travel for board members and one staff to attend two board meetings per year and for board member participation in an annual out of state professional conference (\$7.7). Service costs include conference registrations (\$1.0) and advertising of board meetings (\$0.1). These estimated costs are based on the average board specific direct charges to this program over the previous biennium licensing cycle.

If the Board is not extended, Physical Therapy and Occupational Therapy licensing will continue under the direction of the division, rather than the board. Costs associated with licensing the profession will continue to be incurred by the division including license examiners, investigations, legal, supplies, and allocated administrative support services. These on-going licensing costs are not reflected in this fiscal note because their incurrence is not impacted by the legislation.
