FISCAL NOTE ANALYSIS #1

**STATE OF ALASKA
2014 LEGISLATIVE SESSION**

BILL NO. HB 245

Analysis

This bill would amend existing statutes requiring a mandatory local contribution by borough or city school districts for operation of the public school system. The mandatory contribution requirement of 2.65 mill equivalent would no longer be required. This State would be responsible for the costs that were formally funded by the mandatory contributions.

There is no anticipated fiscal impact to the Division of Community and Regional Affairs from this bill.
