**FISCAL NOTE ANALYSIS #1**

**STATE OF ALASKA  
2013 LEGISLATIVE SESSION**

**BILL NO. CSSB 91(EDC)**

**Analysis**

The proposed legislation adds hazing to current statutory language related to harassment, intimidation, and bullying. It requires districts to include the prohibition of hazing in policy language, provide provisions for the punishment of hazing including suspension and expulsion, and to report data regarding incidences of hazing that result in suspension or expulsion. Additionally, it permits the Department of Education & Early Development (DEED) to provide to school districts policy recommendations, training materials, and internet resources related to hazing.

DEED intends to address these responsibilities through current positions resulting in a zero fiscal note.
