FISCAL NOTE ANALYSIS #1

**STATE OF ALASKA
2013 LEGISLATIVE SESSION**

BILL NO. SB 93

Analysis

This proposed legislation extends the current Technical and Vocational Education Program (TVEP) allocation through June 30, 2024. Currently, the allocation expires June 30, 2014.

Out-year cost estimates are based on TVEP receipts included in the department's FY2014 budget request and will be revised on an annual basis based on the balance of the fund.

The grants line authorization represents the legislation's direct allocations that pass through the department to Kotzebue Technical Center; Alaska Vocational Technical Center; Northwestern Alaska Career and Technical Center; Southwest Alaska Vocational and Education Center; Yuut Elitnaurviat, Inc. People's Learning Center; Delta Career Advancement Center; and New Frontier Vocational Technical Center.

Personal services and services expenses are related to TVEP grant administration and revenue collection through the unemployment insurance tax system. Expenses related to these activities must be charged to a state fund source as they are related to a state program and are not an allowable federal expense.

Position counts are based on an average personal services cost of \$100.0 per full-time position and rounded to the nearest whole number.
