**FISCAL NOTE ANALYSIS #2**

**STATE OF ALASKA  
2014 LEGISLATIVE SESSION**

**BILL NO. CSSB 166(L&C)**

**Analysis**

SB166 amends AS 08.68, which establishes the Board of Nursing. The bill contains new provisions for one seat on the board to be designated for an Advanced Nurse Practitioner (ANP), changes the qualifications of the nurse educator seat on the board, and adds nursing practice updates. In addition, the proposed statute change outlines the minimum qualification of the board's Executive Administrator and adds a section requiring employers of nurses and certified nursing aides who potentially violate the statute to report to the board.

The board will adopt regulations to implement the expanded duties authorized in section 2, in addition to any other impacts they may determine these changes require.

The Division of Corporations, Business, and Professional Licensing does not anticipate fiscal impact from this legislation.
